The Mission of LeTourneau University

LeTourneau University is a co-educational, interdenominational Christian university built upon a foundation of biblical authority, which seeks to glorify God by integrating faith, learning and living. Recognizing that all knowledge comes from the Creator, the university helps students develop a maturing relationship with God, encouraging them to know Him through His Son, Jesus Christ. LeTourneau is a comprehensive academic institution, offering undergraduate, graduate and continuing education, and setting standards of excellence in engineering, technology, the liberal arts, business, aeronautical science, education and the sciences. These programs are distinguished by an approach that provides students with the pure intellectual excitement of learning, coupled with real life problem-solving opportunities. At the core of all programs is an emphasis on developing communication and critical thinking skills.

This integrated philosophy of education extends to all aspects of student life at LeTourneau, providing tangible opportunities for intellectual, spiritual, emotional, social and physical development. LeTourneau helps students mature and develop leadership skills, self-sufficiency and self-discipline by providing a campus community that enables faculty, staff and students to interact on a uniquely personal level. In addition, our university encourages the faculty and staff to serve as role models in spiritual, personal and professional growth.

Beyond its campus in Longview, Texas, the university is mindful of the need for service and Christian witness in the broader community and throughout the world. LeTourneau serves its community through research and by responding to the need for educational programs to adult students at off-campus sites and educational centers. It encourages in its students the qualities of ingenuity and entrepreneurship that contribute to free enterprise and the democratic process. In addition, LeTourneau attracts students from many nations, sensitizing all students to other cultures. And it encourages students to responsibly communicate their views, values and Christian faith to the world.

Faith - The Foundation of Our University

A deep faith in God is the cornerstone of LeTourneau University. We believe that no education is complete until a student understands who God is and how to relate to Him through His Son, Jesus Christ. This belief influences all that we do and teach. While we believe that everyone must have the freedom to interpret God's truth individually, LeTourneau University recognizes certain basic tenets of the Christian faith.

We believe the Scriptures of the Old and New Testaments are the only inspired, authoritative Word of God and are completely truthful and without error. We believe in one God, eternally existing in three persons: Father, Son and Holy Spirit. We believe that Jesus Christ was begotten by the Holy Spirit, born of the Virgin Mary, and is true God and true man. We believe that man, created in the image of God, sinned and thereby incurred not only physical death but also spiritual death, which is separation from God; that all human beings are born with a sinful nature, and that those who reach moral responsibility become sinners in thought, word and deed.

We believe that the Lord Jesus Christ died for our sins according to the Scriptures, as a representative and substitutionary sacrifice, and that all who believe in Him are justified on the basis of His shed blood. We believe in the resurrection of the crucified body of our Lord, in His ascension into Heaven, and His present life there for us as High Priest and Advocate. We believe in "that blessed hope" — the personal, visible and imminent return of our Lord and Savior, Jesus Christ. We believe that all who receive by faith the Lord Jesus Christ are born again of the Holy Spirit and thereby become children of God; by grace are we saved through faith. We believe in the bodily resurrection of the just and unjust, the everlasting blessedness of the saved and the everlasting conscious punishment of the lost.

LeTourneau University is committed to educational studies within the framework of a Christian theistic view of the world, of man, and of man's culture in the light of Biblical and natural revelation. Such a view sees no dichotomy in truth, affirms that Biblical revelation and scientific inquiry are complementary rather than contradictory, and requires a recognition of a personal God revealed both in nature and in the person of Jesus Christ, His Son. Thus, all truth is regarded as God-given and is considered sacred. It should be pursued with diligence and received with humility.

As evangelical Christians, we seek to follow a life-style that is a reflection of our commitment to Jesus Christ as Lord and Savior and includes the incorporation of principles of living found in His inspired word, the Bible. Based on Biblical standards, we believe that God has created the institution of marriage to be between one man and one woman and only within this institution does God bless intimate sexual expression. According to Scripture, all other intimate sexual expression is considered immoral behavior. Sexually immoral or immodest conduct or the promotion of such outside of marriage are prohibited. These include activities such as fornication, sexual promiscuity, homosexuality, and adultery. Whether they are observed by a member of the community, expressed as part of a confession, or personally shared and detailed for the public in written form (e.g. through a personal website or social network, etc.) these behaviors are subject to disciplinary action up to discharge.

Evangelical Christians are guided by Scripture, standards of health, moral integrity, social consciousness, and effective Christian witness. Therefore, all faculty, staff, and students are expected to adhere to a personal life-style that reflects the concerns of the evangelical Christian community. At LeTourneau this includes refraining from the use of alcoholic beverages, tobacco, and illegal narcotic substances at all times, on or off campus.
