

GUIDELINES FOR APPLICANTS

Please read these guidelines carefully before completing the application form.

Your application must be in response to an advertised vacancy, we do not accept speculative applications.

COMPLETING THE APPLICATION FORM

Academics may submit a CV along with the application form using our CV specification found [here](#).

It is recommended that you complete the application form on a PC using Microsoft Word so that you can email the application form to us. If you hand-write your application you may continue sections on a separate sheet(s), please attach these firmly to the main part of the form, marked with your full name, and the reference number.

DO YOU HAVE PERMISSION TO WORK IN THE UK? OR ARE YOU A SKILLED MIGRANT?

To work in the U.K you are required to be a U.K citizen, a European Economic Area (EEA) national, or a non-EEA migrant with a valid visa to work in the UK (e.g. a Tier 1 visa).

All appointed candidates will have to produce documentary evidence of their right to work in the UK.

If you wish to apply for a post under the Tier 2 Points Based System (PBS) you must declare this on the application form. Tier 2 visas can only be issued for skilled posts that are on the "skilled occupation list", and where there is no suitably qualified or experienced UK/EEA national. Most administrative and manual roles do not meet the skills level to satisfy this criteria/requirement. In addition, the migrant worker must reach the Tier 2 points requirements before the Tier 2 visa can be issued. For those applying under the Tier 2 PBS, relevant documentation and evidence will need to be produced for a certificate of sponsorship to be awarded.

More information on working in the UK can be obtained from <http://www.ukba.homeoffice.gov.uk/visas-immigration/working/>

DISCLOSURE OF A CRIMINAL RECORD / REHABILITATION OF OFFENDERS ACT 1974 (Section F)

For all posts, you will need to declare any current (unspent) criminal convictions, cautions, reprimands or warnings so that we can make an informed decision of whether you are appropriate for the post. Please see our policy on the [Disclosure of Criminal Records](#).

Some posts are subject to a [Disclosure and Barring Service](#) (DBS) check, usually because they involve working with children or vulnerable adults. If you are the successful applicant, you will be required to apply for a Disclosure and Barring Service (DBS) certificate before your appointment is confirmed which will show us whether you are suitable for the post based on your criminal record.

A criminal record will not necessarily be a bar to obtaining a position; it will depend on the type of conviction, caution, reprimand or warning and its relevance to the post.

DATA PROTECTION ACT (DPA) 1998

The University is a Registered User under the DPA 1998. It will only use the personal information provided in your application form and CV to process your application for the post for which you have applied. All information will be held confidentially and (except data on the monitoring form) will be made available to those involved in the selection process. For successful applicants, this information will be held confidentially on both manual and computer records and made available to line managers, finance and human resource staff for the proper administration of the employment relationship. Equal Opportunities data will be processed in an anonymous, statistical format for use by the University or relevant outside bodies for monitoring purposes.
