Subject: todays N&O article

President Ross,

Last week an article written by Dan Kane mentioned that UNC Administration hired a PR firm to refute my claims. I worked in athletics from 2003-2009 as a Learning Specialist in academic support. This week Kane's article mentions that you might be interested in learning the truth. If you would like to listen to my interview with general counsel (September of 2010), or Jim Martin, (October 2012), I have retained copies. I would also welcome the opportunity to meet with you in person.  
Respectfully, Mary W.
